

Victoria Primary Academy Weekly Newsletter

Spring Term

Friday, 20th March 2020

DIARY DATES

ALL SCHOOL EVENTS HAVE BEEN POSTPONED UNTIL FURTHER NOTICE It is with a heavy heart that I write to you to announce the temporary closure of Victoria Primary Academy. Our last day will be today, Friday 20th March 2020. We are working hard to prepare to be open for only a small number of pupils. These children

will either have an allocated social worker, an Educational and Health Care Plan (EHCP) or come into the government's new category of the children of key workers. Key workers are defined here:

https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educationalprovision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educationalprovision Please see Parentmail for more information.

If you feel your child falls into this category and you need to use this service, please email <u>morinf@victoriaprimaryacademy.org.uk</u> or call us on 01933 223323 and we will respond to queries as soon as we can.

Children who qualify for a free school meal due to a low family income will be able to receive a voucher or similar. Once we are clearer about how this system will work, we will be in contact with these parents. We will set this system up for you.

All children who were at school yesterday brought home an initial **pack of home learning** with them. There are paper activities as well as online learning ideas. If you require support with any of this, please contact school and we will be able to help.

Going forward, we will continue to get home learning to families. It is very important that you are connected to Parentmail in order to continue to receive updates. Please contact the school office for support with setting this up.

INSIDE THIS ISSUE

Fantastic Victastics p.4		
Classroom news	p.5-8	
Golden Book	p.9	
Sport Relief	p.10	
Sport Champions	p.11	

These are unprecedented times, and the government has asked for a "war time" effort. All of us are now at the front of that, in having to adjust. We will continue to update you over the coming few days as this fast moving situation develops and we receive further guidance.

For most families we may not be seeing you for some time. Please remember you and your child remain a very important part of the Victoria family. You will continue to be in our thoughts. We will continue to send you updates and you can contact us in school for support and advice.

exercise. You are all fantastic like Victastic."

I wish you and your family well over the coming uncertain times, we shall see you soon.

	Best wishes	<u>A message for the children:</u>
Victoria Primary	Mrs Hayley Scargill	"Remember, you are all unique and important, always be your

VICTASTIC AWARDS

CLASSROOM NEWS

In Year 2 we are using the internet to research different animals, asking questions and collecting facts so we can make factsheets.

wonderful end to our stories around the world topic.

shadow puppets to retell the story of Tiddalik. We had to cut carefully to make sure our audience could recognise the characters and understand the events. It was a

Year 1 made

CLASSROOM NEWS

Which is the odd one out? Class 2A made a human graph with our vote!

Mrs. Scargill says,

"I saw your human graph, great work!"

We looked at a

range of Aboriginal

art and used these

to inspire our own

paintings.

In year 1 we were inspired by Aboriginal art work that we saw on rocks. The Aboriginals made relief prints of their hands. We made ours on the playground using flour.

Mrs Scargill says,

"Year one, your artwork is simply amazing! You are really showing the Victoria Value of patience! Well done!"

"Great human graph!"

3B have also been writing poems for a competition.

We gained a new friend in Reception on Wednesday - one of our eggs hatched into a duckling! Any ideas what we should call our little friend? RA like the name Barry!

This week in RB we have been experimenting with 3D shapes!

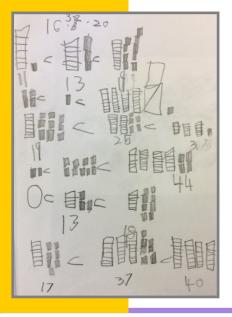

By Thursday, Reception had 4 more new chicks, a total of five! Barry, Harry, Larry, Gary and Carrie.

3A were very excited to be able to visit the ducklings in reception.

Amazing Maths work in 1B this week. We have been ordering numbers from smallest to greatest.

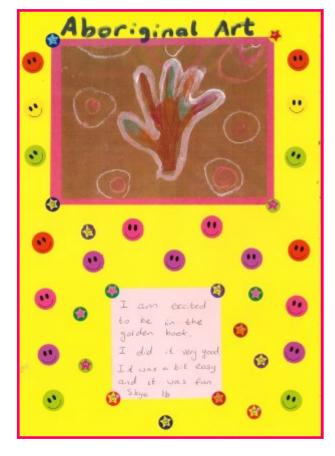

We have been sequencing the hand washing steps in Reception. We are now hand washing experts!

MRS SCARGILL'S GOLDEN BOOK

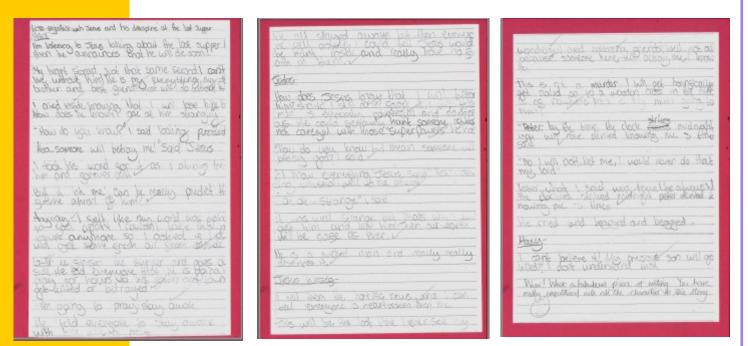

Skye McMillan, Class 1B

"I am excited to be in the Golden Book. I did it very well. It was easy and it was fun."

Nastia Cieniuch

"I am happy to be in the Golden Book. I never did this before—it was fun

Georgia Ekins, Class 5B

LI: To emphathise with Jesus and his disciples.

Georgia was able to empathise with the characters in the story, using ambitious vocabulary and a range of different sentence types and sentence starts.

SPORTS NEWS

WOW! Look how much we managed to raise for Sport Relief!!! Well done everyone, what brilliant effort and fantastic support everyone has shown! I hope you weren't as tired as me after our Aerobic Workout and Agility Circuit!

Mr Tyson, P.E. Lead
