Hello children, parents, carers and staff of Victoria Primary Academy

Our small school children have made the most of the sunshine this week and have been investigating the plants outside in our school grounds.

Whether your child is at home or attending school we remain one whole school community- every child is still a vital part of Victoria, even if they are not able to be in school at the moment.

Thank you for your continued patience and support during this time. Keep in touch via the school office on 01933 223323 or email Mrs Westrep on:

westrep@victoriaprimarvacademy.org.uk.

Take good care, best wishes

Hayley Scargill, Principal

This is your last chance to enter the PTA "design a superhero competition". Entries must be received by the end of Monday, 22nd June. Winners and runners-up will be announced in next week's newsletter. ¹

We are investigating plants this week.

We've had lots of fun looking at the "We are together" story and completing lots of different related activities.

Today we have been investigating the plants outside in our school grounds. We have been writing about the parts of the plants and their functions.

We found some spider webs outside yesterday, so today we sketched them.

Lots of perseverance needed when making different shapes with Tangrams.

Miss Gent and her family used things they found in the garden to make a picture of themselves!

Which one do you think is Miss Gent?

During the lockdown Tariq has celebrated his 7th birthday and he got to see his baby cousin.

He has helped his mum with the cooking and made spaghetti for dinner, which everyone really enjoyed

"I miss school very much and can't wait to go back one day and see all of my friends"

Janis loves his new room, which has been decorated during lockdown.

Hi, I sent a few pictures of my home learning. I like writing book reviews of the books I like.

Natalia Barchan

Sarah is enjoying spending time with her lovely cats. They are all very fluffy! Their names are Oreo, Boky and Chelsea. Chelsea is the mother of the other two.

Hello! I baked a heart cake for my uncle's birthday and I made cupcakes too for us! With frosting, yummy!

Mehnaz 

FUN FACTS Fun Fact – There are over 264 species of Monkeys! 

DID YOU KNOW? Did you know? Sharks cannot swim backwards. 

Jessica has been doing her home learning in her teepee this week. She's also been embroidering buttons and been making jewellery.

Phoebe has been busy making her own tongue twisters this week.

Hello

Elliot has been busy this week doing bite size learning his favourite was what he did this morning which was sharing equally in 10s, 5s and 2s using pasta.

Yesterday he and his sister Esmae made a rocket and travelled to the moon!

Elliot tried trail running at the start of the week which he enjoyed running up and down the hills and through the trees.

Hope you're all well. From Elliot Dally 1b

Arjun in class 1A wanted to share his progress of Oxford reading buddy. He completed 101 books to date
Great reading Ashar!

Mrs Stevenson has discovered some feathered friends also like the garden vegetables .
One for sorrow, Two for joy..... Do you know the rest of this poem?

Gabriel & Gracie have been having fun trying out their face masks that a family friend made them.

Asim is working hard on his home learning.

"We are together"

Jamie planted a blueberry and hopes it will grow into a lovely bush. Jamie says blueberries are his favourite fruit.

Hello everyone! 😊
I spent a lot of time in my plot of land 🌱🌿
Inez "RB"

Kornelia RA
Kornelia solves math problems. She adds and subtracts coins. It was a lot of work and fun.

Hello Mr Tyson, I sent you some pictures of what I do at home. I started reading a book called Charlie and the chocolate factory. It's really a fantastic book. Everyday I do my homework. I try to get better at times table. When it rains I build puzzles with my sister. And I like going outside for a walk when it's beautiful weather.
Mateusz Barchan

Mrs Scargill's GOLDEN BOOK

Matthew Newton has persevered for 2 days to complete our Reach 100 investigation.

He has shown resilience and determination and solved the problem.

He is very proud of himself and excited to tell his mum and be in the golden book as it is his first time in the book. 😊

This is Ayush from class 5B.

He has a lot of Lego and obviously enjoys making models.

Gabriel and Gracie picked a flower to paint. They had to pay close attention to add fine details. Then we had a competition to see if Dad could identify which plant they had painted. Gabriel picked a geranium and Gracie picked a lavender. We rubbed its leaves and it smelt so good.

P.T.A Super hero Competition. Closing date for final entries—Monday, 22nd June

Inez Olchawa, RB

My Superhero is called Elsa. She is very colourful and has super potential powers.

Phoebe Maxwell 2B

"This is Dr. Carrot and Nurse Tomato and their little helpers the 4 Grapes. Nurse Tomato's power is thinking of medicines, Dr. Carrot's power is healthy eating! And the four grapes run around giving out the medicine for Nurse Tomato, and that's my super heroes!"

Gabriel Cooper 5A
This is Toffee Fighter, based on the book character "Moonface" in the Faraway Tree. He can blow toffee bubbles, which go up when you are in one and he can make the moon appear and disappear.
