Victoria Primary Academy

Weekly Newsletter

Issue 29

Summer Term

Friday, 1st May 2020

Hello children, parents/carers and staff at Victoria Primary Academy - how are you?

I hope you all enjoyed reading the letters that were sent from your teachers this week. Feel free to share your news and reply from your grown up's email address to westrepc@victoriapriaryacademy.org.uk Send letters or pictures and Mrs Westrep will forward these to your teachers and may print some in the newsletter, if that's ok with you.

Don't forget to celebrate VE day on Friday 8th May, maybe using some of the ideas from last week's newsletter. Friday is a bank holiday and everyone can enjoy an extra day, with no school or home learning!

I, like so many others, have been completely inspired by Captain Thomas Moore. As a Second World War Veteran, Tom Moore was already a national hero. Now he has touched the nation's heart with a sponsored walk around his garden in aid of the National Health Service, raising almost £33 million!

Yesterday, Captain Tom celebrated his 100th birthday, receiving a personal message and telegraph from the Queen, a video message from the Prime Minister and over 150,000 cards from the general public. He also had a special fly past over his home by 2 veteran RAF planes.

What an amazing man! His message to us is:-

"Please always remember, Tomorrow Will Be A Good Day. With my sincerest gratitude, Captain Tom Moore."

Best wishes to your and your family,

Mrs Hayley Scargill
Principal

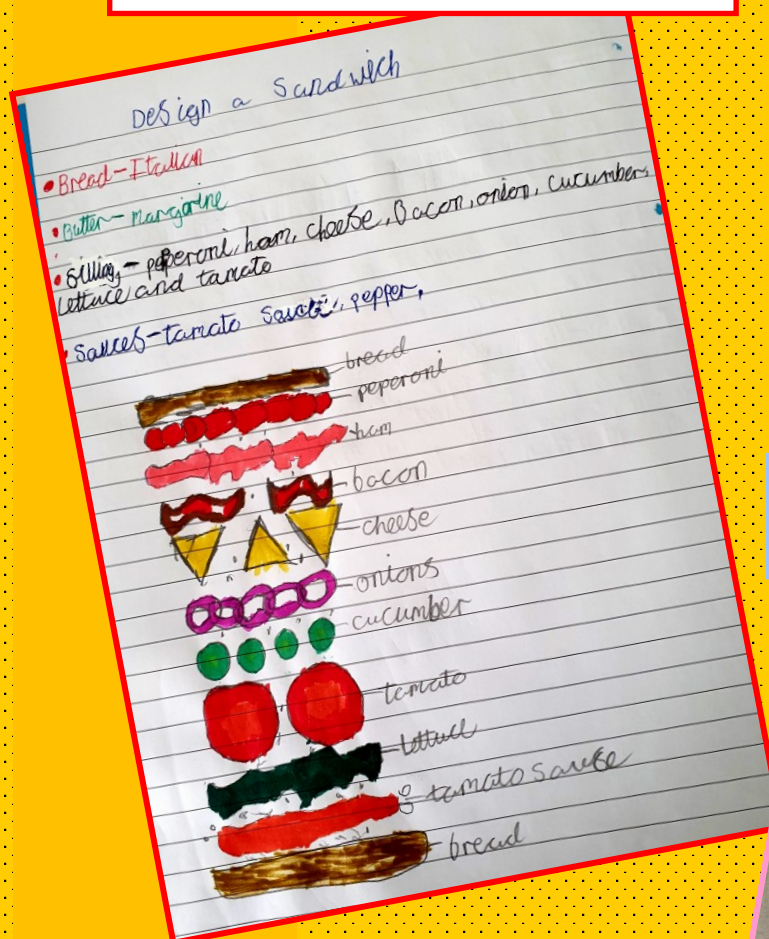

Stay at home | Protect the NHS | Save lives

Hello. My name is Dominik and I'm in class 4A. I planted an apple plant to help the Earth. I also planted tomatoes and now I look after them with my sister :-)

Teddy Frost from 5A has designed a sandwich. Have you made one Teddy? It looks delicious!

Jessica and Archie designed some colourful posters to support the NHS. Good work!

Kenzie Robertson has made a salt dough handprint. What a fabulous idea!

Wow! How pretty do these dried flowers look from Jessica Martin? Were they from your garden?
Jessica says, "I hope you are all keeping well. Stay safe."

Devon, Carter and Hugo have been super creative and busy. "We have been painting eggs, Lego building, drawing and colouring, chalk pics for the NHS. We have also been on walks and tried Joe Wicks P. E. workout."

Teachers at school
Teachers at school are kind and fair,
Teachers at school will talk to you
When you're feeling sad and blue.
Teachers at school are big and tall
Teachers at school are best of all.
I miss you all,
from Kareema Ansary 2A

Thank you to to Zaheera and Kareema Ansary for their lovely writing and pictures.
They hope everyone is well and safe.

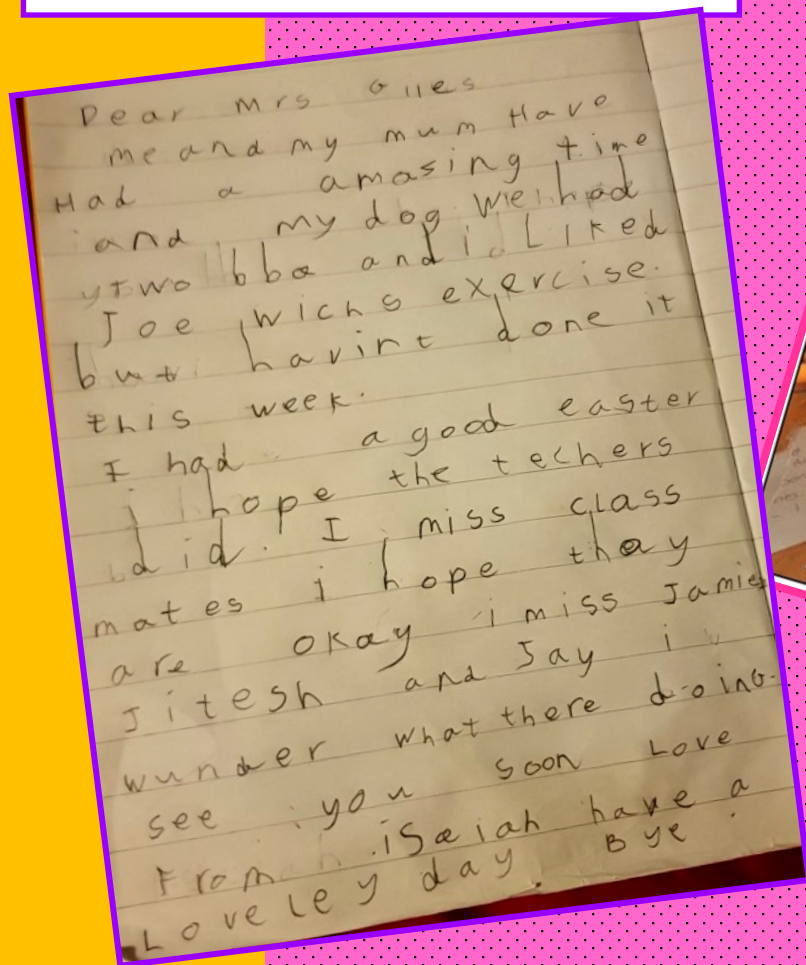

Jamie and William enjoyed a 'wacky Wednesday', playing a relay game of "Verb or Adverb".
A great way to enjoy home learning!

Junior, Matthew, Sam, Ruby and Laila collected some natural materials to use in a weaving or a Garden.

A lovely letter from Isaiah in class 2A. What fabulous writing Isy!

Phoebe has been busy writing letters to the family and friends she misses this week.

Look at the fantastic pictures Ben and Ariana have done! They have included lots of detail on their faces.

Hello Miss Gent,

Thank you for your letter it made me a little sad as I am missing school so much but it was nice to see what you have been up to.

Today I have made some rainbow cress heads with Kenzie and have done some worksheets. My mum was very proud of me and wanted to show you some of my work.

We are glad you are keeping safe.

Love from Sullie

Keep sending your messages and ideas to:
westrep@victoriapriamaryacademy.org.uk

Gabriel is writing a book called 'The Endangered Boy'.

"here is my first chapter of the book I'm making Mrs westrep I have spent 2 hours so far on I'm trying to get 500 words I'm not sure how many I've done but I've done over 100."

That's amazing, Gabriel. Hopefully we can share it with everyone when you've finished?

We created our own tinfoil sculptures based on the work of Giacometti, Degas and Henry Moore. Here's Emils and Kevin with one of their designs. Did you spot any others on a previous page?

Harry and Poppy have both sent letters and pictures in, which Mrs Westrep has forwarded to their teachers. Thank you.

Finding out some interesting facts and reading brilliant stories on Oxford Owl... And of course improving our scores on TT Rockstars!

Mrs Giles made a rainbow with her son using paint and their hands. How creative!

Mrs Thurlow made a rainbow using acrylic paint. She made sure she kept washing her brushes so the colours didn't mix!

Mr Tyson made a rainbow using squiggly lines, it was tricky to mix the colours!

Mrs Marek made a rainbow with her daughter using couscous and food colouring. Scrumptious delicious!

Creative Year 2 teachers!
