

# Victoria Primary Academy Weekly Newsletter

Summer Term

5th June 2020

Hello children, parents, carers and staff at Victoria Primary Academy

## IT'S COMPETITION TIME!

The P.T.A. would like you to create your own Super Hero, complete with special powers, to help keep us safe and well!

*"Everyone loves a Super Hero, so we're asking you children to tell us, through drawings, short stories, or even building your own paper mache model, what your Super Hero looks like".*

Search Facebook for  
Victoria Primary  
Academy PTA

Give your Super Hero a name and tell us what special powers they have.

*This is, of course, a top secret mission and the information you provide will remain confidential until the winners are announced.*

If you choose to accept this mission, you must send a photo of your work, or your short story, to [westrep@victoriaprimarvacademy.org.uk](mailto:westrep@victoriaprimarvacademy.org.uk) by **Monday 22nd June.**

Don't forget to let Mrs Westrep know your name and what class you are in.

If you need a little help, there are some templates at the back of the newsletter for you to use — design a costume, give them a special name and some Super Hero super powers.

Following Government guidelines, we will be welcoming some of our children from years R, 1 and 6 back to school next week, on a part time basis, along with our small school, keyworker children.

As we will be using the outside areas from time to time, your child may bring a sun hat in to school. They should also start the day with an application of "once a day" sun cream, applied at home. Please do not send the cream in to school, thank you.

**Stay safe and keep well, best wishes**  
**Hayley Scargill**  
**Principal**

Did you know? Otters sleep holding hands so that they don't float away from each other!

Fun Fact! Popeye has a nephew called poopeye!

Mrs Stevenson has a flower on her cucumber plant. Hopefully, fruit will follow.

Good morning everyone

Have a nice day

♥ From Inez "RB"

Hi, I am Esha Joymungul from year 4B and this week with the help of my mum I have made my very own doll house which I'm really proud of.

I'm missing school and my friends sooooo... much. I can't wait to be back.

Lots of love

Jamie and William are doing the 30 days wild challenge; for the whole of June each day we are trying to do something with nature.

Today, Day 3, we went pond dipping at Summer Leys Nature Reserve and scooped up some great little creatures! Pond snails, water boatmen, pond skaters, water fleas and damselfly nymphs. Everything went back in the water and no one fell in, so that was a result!

Hello everyone, its Mrs Toro here - just wanted to introduce you all to my animal family. We have Tilly and Bonnie the dogs, Missy the cat, Tortuga and Jurgen the tortoises, Bumble and Bee our ducks, Peter and Tinker Bell the rabbits and finally Smithy and Garvin the gerbils. They are all enjoying the lovely warm days we are having and keeping us very busy. I hope you are all getting lots of fresh air.

We have been making natural patterns using one and two lines of symmetry. Great work small school!

Talia would like to show Miss. Gent how hard she had been working on her writing and number line to 20, as well as her new hair cut!

Kiara has been in the garden this week. She planted a new aloe Vera plant and a orange plant. And also helped in sorting out home grown garlic.

Mrs Cooper has some new additions to her family. Pepsi and Tango!

Mrs O'Mahoney had a busy week with her daughter's 6th birthday! As she couldn't have a party with her friends they had a Pokémon Party! They played pass the parcel, pin the tail on Tauros, Wii games and had an obstacle course.

Of course there was also lots of party food and cake! Mrs O'Mahoney made a Charmander cake.

On Monday, small school children took part in the 'Power in Me' event by Young Voices, the world biggest choir. They learnt and all sung a song simultaneously with other children around the world.

Hi everyone

I just wanted to say a huge thank you to everyone you helped with the Young Voices, 'Power in Me' event this week and last week. The children sang so beautifully and seemed to really enjoy it. You'll be pleased to hear that they were joined by more than 37 countries and tens of thousands of people around the world to say 'Thank you' and show their appreciation for teachers and teaching staff.

Katie Osborne, Teacher

Mrs Wall rescued an adult pipistrelle bat from her garden last week. She took advice from a bat rescue group and the following day she took him to the vets. Did you know that bats are protected by law? Do you know of any other animals that are a protected species?

Hello! I have been in my garden watering the plants! And I even have my own plant!

Love Mehnaz

Hello, I was really busy creating a poster about how we see. I learned a lots of facts about eye structures. I hope to be back to school soon and show Mrs. Embling my poster. I miss you so much. Natalia Barchan 4a

Nashe and Ella are showing super cooperation, practising their cricket skills.

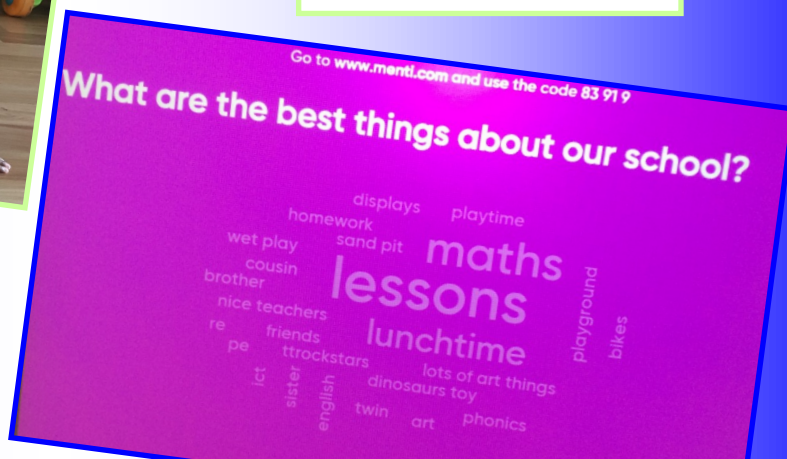

More amazing one and two line symmetry maths in Small School.

Eliza painted flowers in a pot with her water colours.

Eliza loves to paint pictures.

Wafri is doing his exercises

Today we discussed what we most love about our school. We created a word cloud. Each of us had an iPad and put words in which then appeared on the whiteboard in the word cloud like magic! What do you love about our school?

This is a picture of Atanas 11th Birthday from 30.05.2020 with his brother Nikolay. Family garden party :)

Thank you again for your lovely photographs and messages!

Please send your competition entries to the usual email address and I will forward them to the P.T.A.

Of course, please continue to send in all your other news and photos.

## P.T.A. COMPETITION

The P.T.A. would like you to create your own Super Hero, complete with special powers, to help keep us safe and well!

*"Everyone loves a Super Hero, so we're asking you children to tell us, through drawings, short stories, or even building your own paper mache model, what your Super Hero looks like".*

Give your Super Hero a name and tell us what special powers they have.

We have included some templates for you to use if you want to.

*This is, of course, a top secret mission and the information you provide will remain confidential until the winners are announced.*

*There will be prizes for the winner in each key stage.*

If you choose to accept this mission, you must send a photo of your work, or your short story, to [westrepC@victoriaprimar्याcademy.org.uk](mailto:westrepC@victoriaprimar्याcademy.org.uk)

by Monday 22nd June.

<https://www.facebook.com/groups/293177747955365/>  
or search Facebook for **Victoria Primary Academy PTA**

From Monday, 8th June there will be challenges set for the children on the P.T.A. Facebook page .

New challenges will be set each day and we will be asking you to let school know how you have got on. There will be a mixture of things that can be completed using a small number of items or just your imagination!

Have a go and let us know!
