

Do you have a child who will be having their 4th birthday between September 1st 2020 and 31st August 2021? If yes, it is now time to start applying for a primary school for them!

Here at Victoria, our mission statement is *Creating Learners Without Limits*. We aim to ensure all children become the very best that they can be and have a sense of pride and achievement in what they do and who they are. We want the children here with us at Victoria, to have the best educational journey they can by building strong relationships and providing a rich and engaging curriculum.

Due to Covid-19 restrictions, we are currently unable to show parents around the school but you can find lots of information about the school and your child's first year here with us in Reception on our website: www.victoria-pri.northants.sch.uk

If you have any questions or would like to discuss your child starting at Victoria please contact the school on 01933 223323 to book a telephone appointment with Miss Holmes, our Reception lead.
