## LEAVE OF ABSENCE/HOLIDAYS IN TERM TIME

Having a good education helps to open up more opportunities in adult life for our children. As parents, you have a legal duty to ensure that your children attend school on a regular basis.

The Principal may not grant any leave of absence (holiday) during term time unless there are exceptional circumstances.

If you intend to take your child out of school **please complete a notification of absence form well in advance of any planned absence.** If the request is denied and you still decide to take your child out of school, then the absence will be coded as unauthorised.

This may lead to a Fixed Penalty Notice being issued.

## Medicines

Medicines prescribed by a doctor can be administered at school by a member of staff. The label with the child's name and dosage instructions must be intact and legible. An adult must bring in and collect the medication from the office.
