Hello everyone,

We are delighted that you have chosen Victoria Primary Academy for your Reception child this coming September. We are so excited to welcome you to our school and to meet you all!

We know starting school is a very exciting, yet anxious, time for both children and parents and here at Victoria we will be with you every step of the way. In the next few weeks you will receive information regarding our open evening in June. During this open evening you will receive lots of information including dates and times of when your child will visit and start school and school uniform. It is also an opportunity to look around the Reception environment and to meet some members of staff. We ask if you have not already contacted the school to please make contact to ensure we have the correct contact details for yourselves so that you receive all the information you need in the next coming weeks.

Before the open evening, you can find lots of information regarding starting school on our website including a welcome booklet that you can share with your child, which you can access here:

If you have any questions in the meantime, please feel free to speak to contact the school office on 01933 223323.
