Diary Dates

13th July

Year 5&6 performance for parents—letters have been sent home.

14th July

Year 2 Trip to Hamerton Zoo

15th July

Year 5 trip to Wicksteed Park

22nd July

Year 6 Leavers' Assembly at 2pm

LAST DAY OF TERM

We had a fantastic time at the Fun Run this morning!

The children all tried their best and supported each other.

They walked to Hatton and back very sensibly.

Well done everyone!

Have a great weekend

H. Scargill

Principal

ATTENDANCE MATTERS

Please be aware that we will not authorise children to leave school early, or arrive late, because of an appointment for someone else in the family.

Children may be released for their own medical requirements—doctor, optician, dentist or hospital— but we will need to see **proof in writing** of these appointments and receive advanced warning.

Where possible, such appointments must be made out of school hours or during school holidays.

Absence

If your child is not able to attend school, please telephone to let us know by 9.00am each morning of absence.

01933 223323

96 – 100%

Your child is taking full advantage of his/her learning.

90 – 95%

Satisfactory, but your child may have to spend time catching up.

85 – 90%

Your child could be in danger of underachieving and will need your support to keep up with his/her work.

80 – 85%

Your child's poor attendance has a significant impact on their learning

Under 80%

Your child is losing a wide and varied education. You are in danger of being prosecuted.

Medicines prescribed by a doctor can be administered at school by a member of staff. The label with the child's name and dosage instructions must be intact and legible. An adult must bring in and collect the medication from the office.

We have seen some very disappointing attendance figures this term, with families taking unauthorised time out of school.

Please be aware that these absences will result in a fixed penalty notice. Good school attendance gives your child enormous benefits and advantages: **they can develop close friendships, make excellent progress in their learning, and not miss out on any educational or social experiences.** It develops good habits for life, and shows you respect and value their education.

Mornings at the Academy:

8.40am	There is staff supervision on the playground from this time. Please do not leave your child unattended before then.
8.45am	Whistle blows! Children come inside and go to their classroom. GATE CLOSES
8.50am	Registers are taken in the classroom.
8.55am	Children move to their first lesson.

On Wednesday evening England's Women kicked off the Euros with a 1-0 win over Austria.

The match was played at Old Trafford with a record breaking attendance of 68,871. I believe this was approximately 20,000 more than the previous record.

England are joint favourites to win the tournament.

Here is a Women's Euros Wall chart which has all the dates/ fixtures and route to the final. If you would like a copy to follow at home, please ask at the office.

Brass instruments

Wow! How AMAZING were year 5 at their concert last week?

They have all worked so hard to learn a brass instrument.

Thank you to families and friends who came to watch.

Year 5 and 6 Production of Joseph.

Letters have come home with the children about tickets for our production of Joseph and the Amazing Technicolor Dreamcoat. Please ask at the office if you have not received one.

JULY '22

Year 5 and 6

PERFORMANCE TO PARENTS

"Joseph"

Wednesday 13th July

Look who was at the fun run today.

Anita Neil, the first Olympian from Wellingborough.

We posted about her earlier this year.

Anita competed in the 100m and the 4x100m relay at both the 1968 and 1972 Olympics.

She also won three bronze medals, in the 100m, 200m and 4x100m relay, at the 1969 European Championships in Athens, and a silver medal in the 4x100m relay at the 1970 Commonwealth Games in Edinburgh.

Reception Transition days.

Take a look at some of the fantastic models and pictures we have created during the transition days!

The children have had two super days at school and all of the grown-ups are very proud of them!

We cannot wait to see you all again in September!

The children in Year 1 have been playing the glockenspiels in music.
Mrs Hensman has been so impressed with their playing.

We are using a new online book system to support learning in lessons. Teachers will use the books in class and also set reading that children can do at home. Your child's new class teacher will be setting reading for over the Summer for your children's new topics they will be studying in September. Teachers will put any reading they want the children to complete on Class Dojo. It's called Curriculum Visions and it's really easy to use. You can access at home with these details:
